Instructions for A.S.C. drivers will be found in A.S.C. Training, Part I.

Men leading pack animals are not clothed as drivers, but in the same manner as other privates.

Rifles of drivers of G.S. limbered wagons will be carried in the clips provided on the wagon for that purpose. On vehicles not specially fitted the rifles will be carried on wagon footboards.

NOTES.

Packs.—The packs of the transport sergeant and of the regimental drivers of 1st line transport vehicles may be carried on the vehicles. Those of drivers of spare horses and of pack animals will be on the man,

Saddle blanket.—Under the riding or pack saddle. Saddle blankets for officers' horses and horses with luggage saddles are carried in the vehicles on the march.

Heel ropes are allowed for use with restive horses on a scale of 25 per cent. An additional peg is issued with each heel rope.

Picketing gear (or any part of it) may, at the discretion of the commanding officer, be carried in the regimental transport vehicles. A proportion of mallets, heel peg (about 1 to 20 horses), will be carried on 1st line transport vehicles.

Noise bags.—When luggage saddle is worn on the off horse, one bag on each side of the luggage saddle is fastened to the near arch (or ring with O.P. saddle).

Carried in the wagon when luggage saddle is not worn.

Horse brush and rubber.—The method of carrying is left to the discretion of officers commanding, except that these articles are not to be in the noise bag.

7. ARTICLES LEFT AT THE BASE FOR EACH MAN.

Kit bags, containing the spare kit detailed below, will be handed over to the O.C. base details to be taken to the overseas base with the base details, and will be left in charge of company storemen at the Infantry Base Depot, to be forwarded only as may be deemed convenient to the service by the C-in-C.
